## BLACK TEA

English Breakfast 140

*A harmonious blend of teas from Ceylon, India and China. The addition of Chinese tea brings balance and maturity, enabling it to be enjoyed any hour of the day.*

Darjeeling 2nd flush 140

*From the Northern Indian plantations, situated on the Himalayan foothills between Buthan, Nepal and Sikkim. This specific tea gives a strong cup to which milk can be added.*

## WHITE TEA

---

Passion de Fleurs 140

*Delicate white tea, composed by the subtle rose, apricot and passion perfumes, sprinkled with rose petals. It delivers a fresh and most flavoursome brew.*

## AROMATIC BLACK TEA

---

Earl Grey 140

*The most famous flavoured tea, with its antique Chinese recipe, comes from a simple blend of south China teas with fine bergamot from Calabria. Simple and reliable for ail connoisseurs. Perfect for the afternoon and evening tea.*

Lapsang Souchong 140

*To Westerners, this is a Chinese tea, whilst to the Chinese, this is a foreigner's tea. From either perspective its pungent smoky flavour, which is due to its withering on fresh pine wood fire, has become a classic, one who makes a great accompaniment to savory dishes.*

Caramel Toffee 140

*A blend of black teas with intense notes of caramel toffee decorated with pieces of papaya. Ideal with cakes and pies during a snack.*

# DAMMANN FRÈRES - FINE FRENCH TEA

## GREEN TEA

---

L'Oriental 140

*China Sencha green tea is blended with passion fruit, bush peach and wild strawberry flavours, and embellished with fruits pieces and flower petals to deliver a highly fragrant, smooth and fresh cup.*

Oolong Fancy 140

*A semi-fermented tea with large, crumpled leaves. The liquor is amber and clean with a delicious chestnut aroma. As with all oolongs, the tea possesses a low level of caffeine. Ideal as an evening drink, nestled next to an open fire.*

Sencha Fukuyu 160

*The Sencha teas crafted into flattened-needle shapes after a brief steam treatment are appreciated in Japan for their refreshing flavour. This summer harvest offers a cup with strong vegetable notes, hints of fruit and a light bitterness.*

Jasmin Chung Hao 140

*Produced from a green tea of remarkable quality, mixed with fresh jasmine flowers until the tea is imbued with their delicate perfume. Of a fine liquor this fusion makes an excellent accompaniment to Asian cuisine.*

Yunnan Vert 140

*The Yunnan province produces almost exclusively black, sombre teas. However, delicate green teas can also be found there, such as this example, which gives a bright, yellow liquor. The infusion exhibits green and fruity notes with an enduring finish.*

## DECAFFEINATED TEA

---

Decaffeinated Ceylon tea 130  
*a touch of vanilla aroma*

## DAMMANN FRÈRES - FINE FRENCH TEA

*served in our Park Lounge signature silver pot containing 300 ml per serve*

Provence 140

*Blend of hibiscus flowers, apple bits, rosehip and orange peels, and flower petals, flavoured with apricot and peach flavours.*

Peppermint 140

*A hardy, herbaceous plant, peppermint is harvested during summer before it flowers. Known for its strong menthol aroma, this infusion is widely appreciated; it lends itself gladly to aromatise syrups or fruit salads.*

Chamomile 140

*Cultivated in Eastern Europe where the harvest takes place from May to June. The infusion, which has bright yellow colour, carries a sweet and fruity taste with pineapple notes.*
